"At JSW Paints, we aim to inspire minds and lives to unleash true beauty, with a wide range of eco-friendly products."

Celebrated for laying the foundation as well as paving the way, the JSW Group has written India's growth story over many decades. The multi-billion dollar conglomerate is now ready to colour the nation with JSW Paints.

JSW Paints brings you **Colourvista** to address all your colour related needs!

We carried out a detailed research to understand the cultural trends around colour in India as well as globally. It was concluded that colours are chosen on the basis of tones and the moods they evoke in a living space, followed by the family colour. These rich insights gained are the inspiration that make **Colourvista** a unique offering for all your colour related needs.

*Subject to compliance with conditions maintained in Product Information Sheet, regional climatic conditions, accidental damage, usual wear and tear in the area where applied.

Wood Primer

Metal Primer

Halo Aquaglo Metal Primer is a first of its kind rust-resistant, high bonding, water-based primer to guard metal surfaces.

Halo Aquaglo Wood Primer is a high bonding, water-based formulation which ensures long paint life on wooden surfaces.

JSW Paint's Halo Aquaglo is a water-based protective coat with majestic gloss and satin finish for metal, wood and even your walls. Not only is it the safest odourless option without the use of a solvent, but it also dries quickly, saving time and labour.

Celebrated for laying the foundation as well as paving the way, the JSW Group has written India's growth story over many decades. The multi-billion dollar conglomerate is now ready to colour the nation with JSW Paints.
